Linden Emergency Response System

This **FREE** seminar is to educate the community on the Linden Emergency Response System (LERS). This system provides Linden residents with a peace of mind knowing that help is on the way within minutes with just a click of a button from a pendant or bracelet! This device offers around the clock monitoring for **ANY** medical emergency for anyone that is elderly, handicapped, disabled or living alone.

Where: Linden TV Channel 36/42

Time: 8:00am-9:00am

Date: Monday, May 17, 2021

Facilitator: Fred Rosenfeld
